January 15, 1997 • Issue XII

## \*\*\*WELCOME BACK\*\*\*

Welcome to Winter term at Clatsop College. For those of you new to Clatsop, this is "The Bandit". It is a weekly student publication designed to inform the faculty, staff, and student body of the "goings on" at Clatsop. The paper contains information about: current and near-future events; scholarship information and deadlines; buy, sell and wanted items; available jobs--both work/study and within the community; lab hours; meetings; etc. "The Bandit" is issued once per week on Wednesday. All information to be included must be turned in to the ASBG office by NOON on the Friday prior to publication. All submissions will run for a period of two (2) weeks. They will be removed after that time unless renewed. >>A note about ASBG: The acronym ASBG stands for Associated Student Body Government. The office is located in the cafeteria in Patriot Hall, and is open from 9:00a.m.-5:00p.m. during the week. There should always be someone here to assist you. If you have a problem, complaint, question or compliment please feel free to drop by. We have coffee and tea available if you care to come in and just chat. ASBG is here for the student, so drop by. ASBG holds a weekly meeting on

Friday at 5:00p.m. and is open to anyone. Individual committees meet at different times and have yet to be established this term.

## >>>Red Cross Blood Drive<<<

One of the most important and worthwhile projects sponsored each year by ASBG is the annual Red Cross Blood Drive. The date is rapidly approaching. This year it is being held on Thursday, January 30th, from NOON to 5:00p.m. in rooms 322 & 326 of Patriot Hall. Juices, coffee, tea and cookies will be provided by ASBG. Those wishing to participate may either drop by at their earliest convenience, or, if you are on a tight schedule, appointments can be made in the ASBG office anytime prior to the day of the drive. Appointments are arranged in 15-minute increments and we will do our best to accommodate your schedule. Please allow 30-60 minutes for the procedure. Depending upon the quantity of donors, time will be somewhat tentative. Thank you for helping.

## \*\*\*\*FYI\*\*\*\*

### ATTENTION STUDENTS!!!

"The Bandit" is a good place to voice complaints, confusions, criticisms, announcements, and issues that are of concern to you. Pick up a form in the student government office, fill it out and leave it for publication. This will help us to better serve your needs.

**ASBG** Proudly presents **TODD GREEN!**  
Todd is a multi-instrumental solo artist  
and will give a free performance at  
the Performing Arts Center on Friday,  
January 31st, at 8:00p.m. ENJOY!!

Todd Green

Todd Green is a uniquely talented multi-instrumental solo artist who performs nationally in the fine arts and college markets. His all original music is an eclectic blend of classical, jazz, new age and world music. In his concert performances, he uses digital samplers to record and overdub himself live on stage to, in effect, become a one-man-orchestra of unique and exotic instruments from all over the world.

Todd Studied composition, arrangement and performance at Berklee College of Music and privately with Mick Goodrich, jazz guitar legend at New England Conservatory of Music, Pat Metheny, Grammy Award winning guitarist and George Benson, international recording star. He has also taken master classes and work shops with guitar greats such as Christopher Parkening. Todd's 20 year professional career includes a dozen years in New York City, where he performed with the top echelon of studio musicians and toured extensively with bands throughout the United States, Canada and Europe. His recently released recording "Awakening" received kudos in Fingerstyle Guitar Magazine.

In addition to master classes for college music students, Todd performs interactive clinics for school children of all ages, in which he gives age-appropriate (and very entertaining) explanations and demonstrations of many musical styles and playing techniques on the following instruments.

## "QUOTE O' DE WEEK"

"Sixty years ago I knew everything. Today I know nothing. Education is the progressive discovery of our own ignorance."

- Will Durant

## \*\*\*\*\*NEWSPAPER PLEA\*\*\*\*\*

ASBG provides a copy of The Daily Astorian and The Oregonian for your use. Many students wish to read it throughout the day. When you finish reading it, rather than leave it in the cafeteria to be tossed and strewn about, please return it to the ASBG office so others may have an opportunity to read it. Like many other privileges--they can be discontinued. Your cooperation is greatly appreciated.
